

# SIDDHARTH MEHRA

Principal and Consulting Actuary

siddharth.mehra@milliman.com

## Current Responsibility

Siddharth Mehra is a consulting actuary in Milliman's Dubai office. He specializes in property and casualty insurance and IFRS 17 implementation.

## Professional Work Experience

Siddharth has over seven years of experience on a wide range of projects in Middle East, Asia, Korea, and the United States.

His experience includes:

- Managing and reviewing reports for more than fifteen IFRS 17 gap analyses and impact assessment projects
- Preparing and reviewing Financial Condition Reports (FCRs) and Solvency Reports for non-life insurance companies
- Preparing and reviewing reserving reports for non-life insurers (both Takaful and Conventional)
- Developing products and pricing for personal lines
- Conducting reinsurance optimization
- Developing business planning models
- Valuing pensions for U.S. and South Korean clients

Prior to joining Milliman, Siddharth was the Head of Actuarial Department at National Takaful Company – Watania, UAE.

Siddharth also has experience working on pension valuations for defined benefits plans with Mercer.
